The Honorable City Council
City of Providence
City Hall
Providence, Rhode Island

Gentlemen:

The Providence Redevelopment Agency in accordance with the provisions of Paragraph 5 of Chapter 853 of the Ordinances of the City of Providence, approved May 20, 1954 and Section 81 of Chapter 2574 of the Public Laws of Rhode Island, 1950, hereby reports concerning the proposed sale of real property within the Willard Center Unit Two Project No. UR R.I. 1-3.

This Agency proposes to sell to the City of Providence, a parcel of land which is described in the attached deed which states the consideration and the terms and conditions of the transaction. It is believed that the transaction complies with all the provisions of the Official Redevelopment Plan for the project area.

The proposed sale of Parcel A will afford the City the opportunity of constructing playground and playfield facilities for the use of the inhabitants who live in the surrounding area. The proposed sale of Parcel B will afford the City the opportunity of constructing off-street parking facilities which will benefit the new South Providence Elementary School which was constructed on land purchased from the Agency in the Willard Center Unit One Project Area.

Negotiations on the sale were carried on pursuant to Part IV, Section A of the Redevelopment Plan which permits the Agency to negotiate with the City the sale of land for use for playground, playfield and off-street parking facilities.
