Dear Mr. Pearlman:-

We would appreciate your assistance in having a sign placed by the Department of Public Works labelling the portion of Medway Street which was abandoned and awarded to Bethany Home on October 10, 1975.

We feel a sign stating "This is not a Public Highway" would prevent our recent problems with parking by strangers who are not aware they are on private property and Police ticketing of employee vehicles.

I am enclosing for your reference copies of City Council Resolution #775 and a map of the Medway Street boundaries.

It would be helpful if you could keep me abreast of your progress in this matter.

Very truly yours,

*Margaret M. Shippee*
