ID: 45063

Minority Participation: 0% MBE, 0%WBE

Account Code: 101-304-52911
Amount: \$23,772

Dear Mayor Smiley:

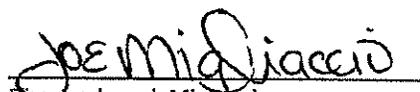

The Department of Telecommunications respectfully requests approval to Pay Interaction Insight Corporation for Support Maintenance on the Eventide recording system in a total amount not to exceed \$23,772 for FY 2025 (Pending Budget Approval).

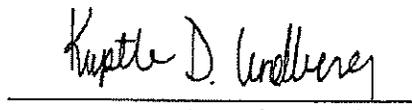

Interaction Insight Corporation (IIC) is the sole local service provider of Eventide recording solutions and supporter of Motorola P25 Trunked Radio Systems. The Eventide recording system is currently utilized by all Public Safety Departments as a 24/7 remote monitoring system requiring on-site support within a two-hour time frame. Additionally, this vendor is also the sole provider of services to the State of Rhode Island E-911 call center.

Funding of \$23,772 is available in account number 101-304-52911.

To Whom It May Concern,

This letter is to confirm that the Interaction Insight Corporation (IIC) is the sole source local provider of Eventide recording solutions that meets the product and servicing requirements of Providence PD

The must haves:

- An Eventide "Top Tier " service provider of Eventide products and services <https://www.eventidecommunications.com/sales-partners/>
- A certified Eventide installer and maintainer of the Motorola AIS P25 integration
- A certified supporter of the NICE INFORM system required for maintaining the legacy NICE recorder for playback purposes.
- 24/7 Monitoring of the system via the NexLog Monitoring Appliance provided by the vendor with remote access for real-time support

Providence PD is requiring that the system be locally serviced by a factory trained certified dealer. IIC is the only "Top Tier" Eventide dealer in the state of Rhode Island that employs factory trained technicians and that can respond with on-site support within the 2 hour requirement. In addition, IIC is one of only four service providers in the US that is capable of 24/7 remote monitoring the system via a VPN monitoring of the system health with automated alerting and remote accessibility.

In additional information is desired, please contact me at (800) 285-2950 X120 at any time.

Sincerely,

Richard Geremia
