Subject: [EXTERNAL] Good afternoon

I hope all is well. I wanted to touch base with you in regards to our last conversation at the last hearing , about me getting a new Nursing job, etc. I just want to say thank you for the opportunity to serve on the board. Unfortunately i have to resign my seat on the board because my new job requires a lot of schedule flexibility. My schedule is crazy right at these current times, and i will not be able to commit to the current JHB hearings in the near future. Thank you for your time & all the great work you do.
