The petitioner shall convey an easement acceptable to Verizon which will permit retention of its facilities in their existing location, together with the right to inspect, maintain, operate and replace the same and with twenty-four hour access to said facilities, or in the alternative should it be determined by the petitioner that any such facilities need be relocated in order to comply with an intended use, the Petitioner shall assume all costs of relocation.

5. Petitioner shall assume all costs of severing existing water and hydrant services at the abandoned location and shall assume all costs incurred for reconnection of necessary

water services for residential, commercial, industrial and public safety uses. Petitioner shall comply with all conditions posted in a letter dated 15 June, 2001 from the Providence Water Supply Board to the Council Committee on Public Works which is attached hereto as Exhibit "B".

6. The City of Providence shall retain for itself, its heirs, successors and assigns full sewer and fire hydrant easements on Ellis Street which will permit retention of its facilities in their existing location, together with the right to inspect, maintain, operate and replace the same and with twenty-four hour access to said facilities, or in the alternative should it be determined by the city that any such facilities need be relocated in order to comply with an intended use, the Petitioner shall assume all costs of relocation.

7. Petitioner shall comply with all conditions contained herein not later than sixty (60) days from its approval. Upon failure to so comply for any reason, the within Resolution shall automatically become a nullity.

8. Petitioner shall submit to the City Clerk copies of a traffic study to which it has made reference at the working study of the Council Committee on Public Works of 8 November, 2001 and shall as soon as practicable at its sole costs erect the traffic control devices referenced therein and at the meeting of that date.

9. Petitioner shall indemnify and hold harmless the City of Providence, its officers, agents, employees and servants from any demand(s), claim(s) or cause(s) of action of any kind arising from any level of environmental contamination at the abandoned situs.

Ordered, That the Traffic Engineer be and he is hereby directed to cause a sign to be placed on the above-named highway abandoned as aforesaid, having thereon the words, "Not a Public Highway", and it is further

Ordered, That after the entry of this order or decree the City Clerk shall cause a notice thereof to be published in a newspaper, published in the County of Providence at least once a week for three successive weeks and a further and personal notice shall be served by the City Sergeant upon every owner of land abutting the above-named highway which has

been abandoned, who is known to reside within the State.

Jointly transmit the following with recommendation the same be Approved:

Resolution Granting an easement to install conduit for NEESCOM, a division of Narragansett Electric on Holden Street, Promenade Street, Green Street, Broad Street and Prairie Avenue.

It is hereby Resolved, That His Honor, the Mayor, is authorized to grant a non-exclusive sub-surface easement below Prairie Avenue and Broad/Holden, Promenade and Greene Streets

in the City of Providence to NEES Communications, Inc. (NEESCOM). Said easements shall be granted specifically upon the following provisions:

1. Said easement shall be utilized only for the installation and maintenance of fiber optic conduit. Said easement shall not exceed the area of four hundred seven feet by two feet by three feet and indicated by the cross-hatched

area on the accompanying maps marked as Exhibits A, B, C and D.

2. Said easement shall be deemed to run with the land and shall operate against any successors in title and the easement or memorandum of same shall be recorded in the Office of Land Records for the City of Providence.

3. Said easement shall be subject to a right of reverter/right of reversion in the event that the situs of the easement is no longer utilized for the aforestated purposes. Additionally, it shall be for a term of not more than twenty (20) years.

4. NEESCOM shall tender the sum of two thousand nine hundred dollars (\$2,900.00) in legal tender of the United States of America.

5. Any breakout necessary for installation and/or repair shall be resurfaced/rehabilitated to the approval of the Director of the Department of Public Works.

6. Any installation of utilities or utility lines shall be underground so as to preserve the public right-of-way.

7. Any installation of electrical mechanism shall be by the approval of the Department of Inspections & Standards.

8. Petitioner shall ascertain that construction results in no adverse impact on any existing utility company and shall ensure the continued integrity of those existing structures.

9. NEESCOM shall execute an indemnification and hold-harmless agreement with the City of Providence. Said agreement shall be approved by the Department of Law of the City of Providence.

10. NEESCOM shall supply the City of Providence with an insurance policy naming the City of Providence, its agents, officers, servants and employees as additional-named insureds in a sum not less than one hundred thousand dollars (\$100,000.00) which policy shall be approved by the Department of Law of the City of Providence.

11. Grantee shall not lay, construct or affix to the realty any temporary or permanent structure other than described earlier herein.

12. NEESCOM recognizes the applicability of Sections 23-107, 23-108 and 23-190 of the Code of Ordinances which read as follows:

23-107. *Indemnity of city against claims arising out of electrical installations.* No right of any person to maintain, use or operate any poles, wires, cables, conduits, ducts, pipes, manholes, handholes, or other appliances or appurtenances in any street or other traveled way in the city, shall be in preference or hindrance of public work in the city, and should any of the same in any way interfere with the construction, alteration or repair of any public work in, under, or over any such street or way, whether done by the city directly or by any contractor for the city, such person shall at his own expense protect, alter or move any of the same so interfering to some other location, or discontinue the use and operation thereof for the time being, as directed by the director of public works, without the city being liable for any damages suffered by such person thereby. The City shall notify such person not fewer than ninety (90) days prior to such public work, which will interfere with any of the same or the use or operation thereof. In case such person shall fail to comply with any such direction of said director, the city may protect, alter or move

the same, and recover the cost thereof from such person.

23-108. *Precedence of wires, apparatus of city signal service.* The wires, poles, posts, structures and supports of the telephone, fire alarm and police signal service maintained by the city shall at all times take precedence and right-of-way as to all other wires, poles, posts, structures and supports maintained or erected in the city; and no lineman or other person, either in erecting wires, poles, posts, structures or supports in any way whatsoever shall interfere with, or disturb, dissarrange or change any wires maintained by the city, or any appurtenance thereof; and in every instance of removal of any said wires, poles, posts, structures or supports for the accommodation of any other coporation or party, or to place the same beyond danger from the electric current of any other corporation or party, the expense incident to said removal shall be paid immediately by such other corporation or party.

23-109. *Indemnity of city against claims arising out of electrical installation.* Every person erecting, maintaing or using electric wires or poles, fixture or structures, for the support or conducting of the same shall indemnify and save harmless the city, its officers, agents and servants, from and against all lawful claims and demands for injuries to persons or property occasioned by the existence of such poles, wires, fixtures or structures or the transmission of electric current by means thereof or by the digging up, opening or keeping open of any street, highway, traveled way, public place or part thereof, which shall be or has been opened for the purpose of installing, constructing or repairing any underground conduit, duct, structure, appliance or appurtenance by or for such person, or by any failure

of such person to restore and keep in sound and safe condition for the required time any ground opened or dug up in the prosecution of any of its work in any street, way or place. The city, the city council, or the officers, agents or servants of the city, exercising the rights, powers or permission, and subject to the restrictions, respectively given and reserved herein shall not be held liable by such person or corporation on account thereof, or by reason of any injury or damage caused thereby.

and NEESCOM, for itself and its successors, agrees to comply with the same.

13. NEESCOM shall repave all excavated roadways in accordance with relevant ordinances, industry standards and to the reasonable satisfaction of the Director of Public Works.

14. In addition to Paragraph 12 above, in the event that the City of Providence or its designee shall, for any public purpose, require the extinguishment of the easement granted herein and upon ninety (90) days notice hereinbefore mentioned, NEESCOM shall, at its own expense, remove said improvements to the easement area.

15. Such other terms and conditions as may be reflected in the record and minutes of the City Council Committee on Public Property and/or as may be deemed appropriate by the Mayor or the Department of Law.
