Dear Chairwoman Anderbois,

For the past nine years, it has been my pleasure and privilege to serve on the Providence Environmental Sustainability Task Force. The City has come a long way since 2010 and I'm excited to see where things go in the future. The Sustainability Office is working to create a vision for the City and I look forward to continuing to be engaged.

I'm sending this letter to confirm my resignation from the Task Force. Given the number of years I have served, I feel it is important to create space for new involvement. I know there are many passionate citizens in Providence who are interested in the group and want to help the City accomplish its environmental goals.

Thank you for your leadership and I look forward to staying in touch.

Warmly,

Julia Gold
