The Honorable City Council
Committee on Public Works
City Hall
Providence, Rhode Island

RE: Resolution No. 826
Dated - 11/13/75

Gentlemen:

The Traffic Engineering Department has received the following resolution from your Committee and has taken the subsequent action:

Request: That the Traffic Engineer is requested to cause the installation of a motor vehicle traffic signal light at the intersection of Promenade Street with Park Street.

Disposition: With the closing of the Park Street on ramp to I-95 and the proposed construction of the Civic Center Interchange, we do not feel that a traffic signal is warranted at this time.

Very truly yours,
