Petition for Protection

We the undersigned, residents, landowners or tenants of the Elmgrove/  
Angell Street intersection area, wish to express our opposition to the  
plan of the Public Transit Shelter, Inc. to place an illuminated advertising  
sign on the public shelter at the northwest corner of the intersection.

This is a residential area and advertising signs of this type would  
be inappropriate visual pollution which we feel we have a right to be  
protected from.
