RE: Providence Truancy Board Ordinance

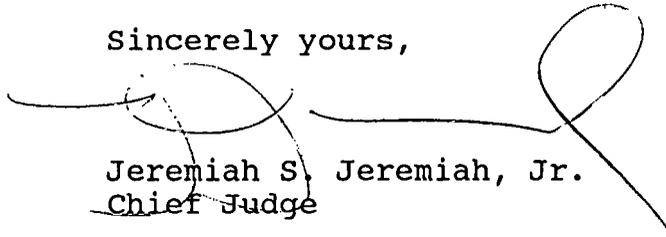

Dear Councilor Igliazzi:

In accordance with Rhode Island General Laws section 16-19-8, I hereby give my authorization to the City of Providence to establish a Truancy Board for the purpose of hearing those cases referred to the board involving violations of compulsory attendance laws.

I would like to commend the City of Providence for its carefully crafted ordinance. The proposed ordinance should serve as a model throughout the state for the creation of truancy boards. Providence, once again, has taken the lead in addressing such significant issues facing our state as juvenile crime and truancy.

I wish the board well in its most important work. If I can assist you further, please do not hesitate to call upon me.

Sincerely yours,

Jeremiah S. Jeremiah, Jr.

Experience

1997 to Present Assistant Superintendent for Management

As a member of the Superintendent's Senior Staff, duties include overseeing offices of: Student Relations, Alternative Education, Placement and Registration, and Summer School, as well as Parents Making a Difference. Additional duties include the responsibility for school safety issues, involvement and resolution of day-to-day K-12 management issues, working with individual, family, community and partnership issues. Preparing reports, statistics, working with Zone, Health, and Human Resources Administrators in dealing with issues ranging from Health to Home Schooling to OJI and Workers' Compensation, to working with schools and colleges to facilitate placement of practicum and student teachers and providing workshops/staff development for new and acting administrators fall under the responsibility of this position. Attendance at grievance hearings, Senior Staff Meetings is required. As Assistant Superintendent for Management I must be ready to assume any and all other duties which may be assigned by the Superintendent: Safety Committees, Salt Data Collection, Administrative Workdays, Magnet, OCR, and Desegregation meetings, etc.

1995 - 1997 Principal, Gilbert Stuart Elementary School

Duties include the overall day to day administration and supervision of the school including but not limited to the planning, organizing staffing, directing, coordinating, reporting, budgeting, monitoring and evaluating of every aspect of the school, its programs, pupil, staff and public relations.

1992 - 1995 Principal of Central High School

Responsible for the day to day operation and leadership of Rhode Island's largest comprehensive high school with the state's most

diversified enrollment. Duties included the planning, organizing, staffing, directing, coordinating, reporting budgeting, monitoring, evaluation of all programs, staff, departments, services, and committees at Central High School as well as the indirect monitoring and overseeing of the school's Area Vocational Technical Center. Duties also included community, student and parental outreach efforts and working with various teams to oversee restructuring efforts.

1990 - 1992 Principal/Director of Hanley Vocational Technical Center at Central High School

Duties included the leadership and overseeing of the area vocational center in accordance with The Regulations, Governing the Operation and Management of Area Vocational Technical Centers in Rhode Island, The Basic Education Plan, and the Providence Teachers' Union Contract. Responsible for directing, supervising and evaluating staff and programs, activities and services, program development and evaluation, budgets, coordination with business and industry, the Rhode Island Department of Education, the Association of Area Vocational Technical School Directors, and various committees. Writing grants for funds from the Perkins ACT was instrumental in school improvement, staff development, new program and restructuring efforts and was an integral part of my responsibilities.

1984 - 1990 Principal, Director of Woonsocket, Rhode Island Area Vocational Technical Skill Center

Responsible for the day to day operation of the school, working directly under the supervision of the superintendent in planning, evaluating and improving school program offerings. Responsible for providing students enrolled with programs and services sufficient to prepare for work and/or post-secondary upon graduation, serving on various committees, community outreach, student and parental outreach and coordination with services offered at the adjacent high school. Budgeting, evaluating, keeping abreast of changes and innovations in industry, writing federal grants and being involved in the community were integral parts of my responsibilities.

1979 - 1984 Assistant Principal in Charge of Alternative Programs at Davies Vocational Technical Center, Lincoln, Rhode Island

This was the state's only full time, state owned and state operated comprehensive academic and vocational technical school in Rhode Island. Responsible for assisting the principal in the day to day operations, management and supervision of the school in accordance

with policies, laws, BEP, and regulations. duties included the supervision of all programs identified as alternate programs: CETA and JTPA, Summer and Evening Second Technical Day Programs, Dropout Prevention, LEP, Vocational Training for Adults, and Special Education Programs.

*In 1983 and 1984 my duties also included teaching math to 9th graders in a Dropout Prevention Program under my supervision.
