Mr. Vincent Vespia  
City Clerk  
City Hall  
Providence, Rhode Island

Dear Mr. Vespia:

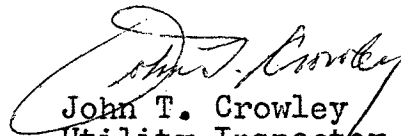

In Re: Lighting request along thoroughfare, at Pole #129  
off Charles Street opposite Esek Hopkins School.

This is a reply to the Resolution of The City Council #70,  
dated February 17, 1975.

After rechecking again, with the Engineers Department of  
Public Works, I am reformed that the 12' thoroughfare in  
question is still the same status; not a received street;  
therefore it is not possible for me to order a utility pole  
and street light at this location at the present time.

This is the third or fourth request I have had for this  
same problem.

Very truly yours,

John T. Crowley  
Utility Inspector  
Acting Public Service Engineer
