RE: Providence City Council Resolution No. 257

Dear Ms. Stetson,

As provision of the Providence City Council Resolution No. 257, as approved on June 1, 2009, it was resolved that a special commission was to be formed and that one of the members of that commission was to be "[a] member of the Department of Environmental Management/Division of Agriculture/Animal Health."

I wish to notify your office that I will serve that role on the commission. I am the RI State Veterinarian and in my capacity as such I meet the requirements as defined in the resolution. Please do not hesitate to contact me if you have any questions.

Sincerely,
