*Rose M. Mansour* CLERK

The Honorable City Council  
Committee on Public Works  
City Hall  
Providence, Rhode Island

Gentlemen:

The Traffic Engineering Department has received the following resolutions from your Committee and has taken the subsequent action:

Res. #327 - 6/8/81 - That the Traffic Engineer is requested to conduct a study as the feasibility of installing 30 Minute Parking meters along the east side of Page Street.

Disposition: Granted. Signs have been posted indicating 30 Minute Parking. Parking meters will be installed as soon as a supply of poles is delivered.

Res. #330 - 6/8/81 - That the Traffic Engineer is requested to cause the installation of "Playground" signs along Ridge Street.

Disposition: Granted. A work order was written on 6/19/81.

Res. #329 - 6/8/81 - That the Traffic Engineer is requested to cause that missing street name sign along Betteridge Court between 86 and 90 Messer Street to be replaced.

Disposition: Granted. A work order was written to have the signs manufactured.

Res. #328 - 6/8/81 - That the Traffic Engineer is requested to replace that missing street name sign on Burgess Street at its intersection with Cranston Street.

Disposition: Granted. A work order was written to have the signs manufactured.

Very truly yours,

*Frank A. Tibaldi*
