## PERSONAL EXPRESSION

**COUNCILMAN NARDUCCI Requests the privilege of the floor to speak on a Point of Personal Expression and states:**

"It's nice to hear how everybody is concerned about the youth in our city. It's also nice to hear when the Mayor ran his campaign how we need more programs for the youth and we need more things for them to do. There is an organization that Bobby Palazzo has been running for many years, myself and Councilman Jackson through some URRP funds, we made sure through the last few years that we were willing to get him anywhere from \$6,000.00 to \$10,000.00. The last couple of years were even tougher. We were only able to get them \$6,000.00. Now, what's happening is through whatever programs are getting cut from our kids, they're looking for \$11,000.00 to keep middle school sports going with basketball and track at Classical High School. Shame on all of us that serve on the Council if we let this happen because I look around at fourteen Council people, Councilman Hassett isn't here. I look around at fourteen of us, if we each gave \$1,000.00 of the money we have from CDBG funds or if we had to take it out of our own personal accounts, whatever we need to do, I think we could get Bobby Palazzo \$14,000.00 right here in this room tonight. I think it would be a very sad moment in the City of Providence because those kids that go to those schools live in our communities. Not in my ward, not in your ward, but in all of our wards. Councilman Jackson, I have always had the highest respect for you for what you do for the kids and anyone that is involved in sports know, it's a lot of time and there is no pay when you're coaching. Again, I stand here tonight asking each and every one of you to give \$1,000.00 to the Classical Athletic Program so our middle school basketball and track can keep running at Classical High School, because this man and his family, including his wife, has put a lot of time and effort into what they do and we all need people like Bobby Palazzo to say you know what I can't even get the support of the City Council. I'm not going to give up and people like Bobby Palazzo will not give up. Bobby, I guarantee you, you have my support. I will make sure I can give you whatever I can get to you even if it's more than \$1,000.00. I will definitely do that for the kids of our city. Again, I know I'm repeating myself, but some things need to be repeated. Please let's stay strong on this, let's send a message to the administration to see if maybe then a match what we give. If we give \$15,000.00 and the administration can give \$15,000.00 we can give Classical \$30,000.00. Thank you, Mr. President."
