PRESENTATION OF RESOLUTIONS

COUNCIL PRESIDENT LOMBARDI (By Request):

Resolution in Support of the City of East Providence's resolution relative to the repeal of Rhode Island Special Education Laws that are more restrictive than federal laws.

Whereas, The individuals with Disabilities Education Act (IDEA) and its associated regulations were passed and reauthorized to ensure that children with disabilities have available to them special education and related services designated to meet their unique educational needs; and

Whereas, In 1975 Congress pledged to provide 40% of IDEA funding and, 30 years later, has not yet reached this goal leaving local taxpayers to fund the difference; and

Whereas, The General Laws of the State of Rhode Island charge school committees with providing special education to meet the needs of the child with a disability as recommended and approved by the State Board of Regents for Elementary and Secondary Education in accordance with its regulations; and

Whereas, The State legislation and associated regulations are in some cases more restrictive than federal legislation; and

Whereas, Section 608(a)(2) of the federal law IDEA (2004) requires states to identify in writing to local educational agencies located in the state any such rule, regulation, or policy as a state-imposed requirement that is not required by IDEA and federal regulations; and

Whereas, Section 608(a)(3) further asks states to minimize the number of rules,

regulations, and policies to which the local educational agencies and schools located in the State are subject under this title.

Now, therefore, be it resolved, That the Providence City Council joins the Providence School Committee and those of other communities in asking the Rhode Island General Assembly to repeal State Special Education Laws deemed more restrictive than federal legislation; and

Be it further resolved, That the City Clerk send a copy of this resolution to the Senators and Representatives, the President of the Rhode Island Senate, the Speaker of the Rhode Island House of Representatives, and to each municipality in the State of Rhode Island.
