NOW, THEREFORE, IT IS RESOLVED, DECREED AND ORDERED:

That the following ballot questions, as adopted on \_\_\_\_\_, 2012, be submitted to the Rhode Island Secretary of State to appear on the November 2012 ballot:

*Effective 2022, shall the number of wards in the city be reduced from fifteen (15) to twelve (12), and the composition of the city council change to one member from each of twelve (12) wards, and an additional three (3) members to be elected "at large"? [Amends Section 201]*

*"Shall city council members be limited to serving three (3) consecutive full terms as a ward based councilmember and three (3) additional consecutive terms as an at large council member." (Amends Section 202)*

*Shall the ward and boundaries committee redistrict the city into twelve (12) wards in time for the election of November 2022? [Amends Section 204]*

Effective 2022, shall the number of wards in the city be reduced from fifteen (15) to twelve (12), and the composition of the city council change to one member from each of twelve (12) wards, and an additional three (3) members to be elected "at large"? [Amends Section 201]

"Shall city council members be limited to serving three (3) consecutive full terms as a ward based councilmember and three (3) additional consecutive terms as an at large council member." (Amends Section 202)

The affect of this amendment is to allow council members to serve three terms as ward based and three terms as at large council members.

Shall the ward and boundaries committee redistrict the city into twelve (12) wards in time for the election of November 2022? [Amends Section 204]

The amendments would reduce the number of wards in the city from 15 to 12, and would create three "at-large" council seats, which would be elected citywide. The changes to the council structure would not take place until the 2022 election, to coincide with the next required redistricting process.

#### **201. – Elected officials.**

The elected officials of the city shall consist of a mayor, who shall be elected at-large by the qualified voters of the City of Providence, and a city council which shall consist of fifteen (15) members, three (3) of whom shall be elected at-large, and one (1) elected from each of the twelve (12) wards into which the city shall be divided pursuant to section 204 of this article.

#### **202. – Date of Election and Terms of Office**

The mayor shall be limited to serving (2) consecutive full terms (excluding any partial term of less than two (2) years previously served); and council members shall be limited to serving three (3) consecutive full terms as a ward based council member and excluding any partial term of less than two (2) years previously served and (three (3) additional consecutive full terms as at large council member (excluding any partial term of less than two (2) years previously served)

#### **204. – Wards and ward boundaries.**

The city shall be divided into twelve (12) ~~fifteen (15)~~ wards, the boundaries of which shall be drawn pursuant to the provisions of this section.

(a) At its first meeting in 2021, the city council shall enact an ordinance providing for the establishment of the boundary lines of the twelve (12) wards of the city, said boundary lines to be established based on the federal census of 2020.
