Mr. Michael R. Clement  
City Clerk  
Providence City Hall  
Providence, Rhode Island

Dear Mr. Clement:

I am in receipt of Resolution 544 approved by the City Council on September 9, 1994 which reads as follows: "RESOLVED, That the Plaque for Lieutenant Vincent B. Coleman which appeared at the Hendrick Street School which was demolished, be replaced."

I asked a member of my staff to do some research and found that the Hendrick Street School was closed on March 1, 1943. Further investigation led to the fact that the plaque was posted on a pole quite near the Hendrick Street School which was also taken down.

Since my office does not have jurisdiction over the demolition of buildings and other City property, nor do I have any information about Lt. Coleman except that the plaque was erected in his honor after he was named missing in action during World War II, I am unable to assist you in this matter.

Sincerely,

Arthur M. Zarrella, Ped.D.  
Superintendent of Schools

CITY OF PROVIDENCE PARKS DEPARTMENT

DIVISION OF GROUNDS MAINTENANCE

MEMORANDUM

TO: Nancy Derrig Superintendent of Parks  
FROM: Joseph Salem Director of Grounds Maintenance  
DATE: September 19, 1994  
SUBJECT: City Council Resolutions 538 and 545

---

Resolution # 538 is a request for the grass to be cut at locust grove cemetery. This area was cleaned and cut the last week of August and at this time is not in any need of cutting.

Resolution # 545 is a request for renovations to the tennis courts at Mt. Pleasant. Being that the school department now maintains their own properties this falls under their jurisdiction and no longer ours as we have discussed. Repairs to these courts will be extremely expensive as they are in deplorable condition.
