*From the Clerk's Desk*

We the people who reside on Wanskuck Avenue request that this street, Wanskuck Avenue, become a ONE WAY STREET- with the entrance of cars entering in from Admiral Street to Gentian Avenue.

The heavy and speeding traffic that comes through this street is unbearable - we can't even get out of our driveways without coming to a sudden stop or even walk across the street with our children and grandchildren without the fear of getting hit by a car.

We wish this request be fullfilled as soon as possible, before a tragic or fatal accident happens to one of us or our children or our grandchildren.

Thank you for your prompt consideration.
