Providence, Rhode Island

Gentlemen:

In accordance with your petition filed under the provisions of Chapter 347, of the General Laws of 1938 as amended, we have completed our examination of the financial records of the Estate of Charles H. Smith for the six months period ended September 30, 1952 and we present herewith our report upon the results of this examination together with the exhibits and statements enumerated in the index.

Scope of Examination

Cash on deposit was verified by direct correspondence with the depositories and amounts certified to us were reconciled to the cash book balances as of the close of business September 30, 1952. Cash on hand was counted during the course of this examination and reconciled to the records as of September 30, 1952.

Recorded cash receipts were traced to the deposits as shown by the bank statement. Cancelled checks were examined and vouchers supporting all expenditures were examined as to authorization and distribution.

Rent collections were checked to the lease and rental agreements, minutes of Board of Commissioners and sub-committee meetings were examined and wage schedules were scrutinized for proper payment.

We examined or tested all other supporting data to the extent and in the manner we deemed adequate.

As noted in previous reports, accrued items are not reflected in the accompanying statements due to the fact that the financial records of the Estate are maintained on a cash basis.

Statement of Financial Condition

Cash in banks and on hand at September 30, 1952 amounted to \$101,802.00 allocated as follows:

In Banks:	
Phenix National Bank	5,000.00
R.I. National Bank - Commerce Branch	69,552.73
Providence Union National Bank and Trust Company	27,224.27
On Hand	<u>25.00</u>
Total	<u><u>101,802.00</u></u>

When compared with the cash balance of September 30, 1951 in the amount of \$97,249.27, we note an increase of \$4,552.73. This increase represents the excess of net income for the year under review over the distribution to the Roger Williams Park account for the same period.

Also examined but not reflected in the accompanying statements, is an unallocated cash overage of \$8.05 which has existed for some time.

The Trust Deposit under lease agreement held by the Rhode Island Hospital Trust Company for Noyes Buick Company Incorporated, under decree of Superior Court entered June 2, 1939 amounted to \$5,238.35 at September 30, 1952. Composition of the fund is as follows:

U.S. Savings Bonds, Series G, 2½%, 5/1/60	5,200.00
Savings Account	<u>38.35</u>
Total	<u><u>5,238.35</u></u>

We note that this trust deposit represents receipts from condemnation proceedings of lease lands plus income of \$245.00 and less \$206.65 in expenditures made therefrom. Income earned by this fund is payable to the lessee during the term of the lease which expires in 1977.

Real Estate owned by the Estate was carried on the books in the amount of \$870,463.06 at September 30, 1952, which was \$59,228.20 less than the assessed valuation as shown by the records of the Tax Assessors.

The valuation of the furniture and fixtures located in the Estate office, in the amount of \$708.00 have been incorporated in the Estate's records. Adequate insurance protection, in the form of fire and extended coverage in the amount of \$2,500.00, is afforded these assets.

On March 25, 1937, the date of the death of the annuitant Charles H. Smith Jr., a valuation was placed on the Estate, and on September 30, 1952 this principal amounted to \$875,701.41, a decrease of \$10.67 when compared with the balance of \$875,712.08 at the close of business September 30, 1951.

This decrease is the result of an expenditure made by the trustee for one-half of the annual surety bond premium.

Accumulated Net Income

Accumulated net income at the close of business September 30, 1952 amounted to \$101,802.00, calculation of which is summarized as follows:

Accumulated Net Income, April 1, 1952	97,860.82
Net Income for period April 1, 1952 to September 30, 1952 inclusive	33,941.18
Total Available	<u>131,802.00</u>
Deduct Distribution to Roger Williams Park Account	<u>30,000.00</u>
Accumulated Net Income, September 30, 1952	<u>101,802.00</u>

The distribution of accumulated net income represents payments made to the "Roger Williams Park - Charles H. Smith Trust Fund" account of the City of Providence. Examination of expenditures made from this account will be audited in the course of the examination currently being made of the financial records of the City of Providence for the fiscal

year ended September 30, 1952, and comments pertaining thereto if any, will be included in our report at the conclusion of said audit.

A statement of accumulated net income is presented as Exhibit B of this report.

Net Income

Net income from operations for the six months period ended September 30, 1952 amounted to \$33,941.18, and for the entire fiscal year ended that date net income amounted to \$69,552.73. This represents an increase of \$3,869.22 when compared with a net income of \$65,683.51 for the preceding fiscal year. This increase is the result of an increase in rental income of \$5,126.18, a decrease in property expenses of \$269.35 and an increase in general and administrative expenses of \$1,526.31.

A comparative statement of income and expenses for the fiscal years ended September 30, 1952 and 1951 is set forth in Exhibit C.

Statements of income and expenses for the individual properties, exclusive of general and administrative expenses, in comparative form are presented as Exhibit D and E of this report.

Rental Accounts Receivable

Uncollected rent accounts at the close of business September 30, 1952 amounted to \$326.30, summarized as follows:

Rental Accounts Receivable April 1, 1952	137.50
Billings, April 1, 1952 to Sept. 30, 1952 Inc.	56,696.70
Total	<u>56,834.20</u>
Rental Receipts, April 1, 1952 to September 30, 1952 Inclusive	<u>56,507.90</u>
Rental Accounts Receivable, Sept. 30, 1952	<u><u>326.30</u></u>
<u>Allocation</u>	
Tenants in arrears	148.80
Pay when due	278.00
Total	<u>426.80</u>
Less Advance Payments	<u>100.50</u>
Net	<u><u>326.30</u></u>

Rent loss, due to vacancies, for the six months period under review is allocated as follows:

University Apartment #9	30.00
261-265 Thurbers Ave. Garage #2	2.50
17-19 Howell Street - Flat	<u>26.00</u>
Total	<u>58.50</u>

Rental accounts receivable are not reflected in the attached exhibits due, as noted previously in this report, to the use by the Estate of the cash basis of reporting income and expenses.

This office did not confirm the uncollected rent balances as of the close of business September 30, 1952.

Insurance in force

Summary statement of protection afforded under various contracts is presented as Statement 1.

Employees Surety Bonds

Surety Bonds in force at the date of this examination are presented as follows:

F. Vincent McConnell - Manager	5,000.00
Gladys E. Prior - Secretary - Bookkeeper	2,000.00

General

We wish to take this opportunity to express our appreciation for the splendid cooperation and courtesy extended to us by the employees of the Estate during the course of this examination.

Certificate:

Subject to the comments appearing in this report, we certify that, in our opinion, the attached exhibits and statements truly set forth the financial condition of the Estate of Charles H. Smith at the close of business September 30, 1952 and the results of its operation during the six month period ended that date.

January 7, 1953

Very truly yours,

Joseph P. Gault
Chief: Bureau of Audits
