It is with regret that I inform you that the Providence Municipal Council, United Spanish War Veterans will no longer arrange the Parade in the City of Providence on Memorial Day May 30th.

We have done this since we became the Senior War Veterans Organization in the State during the administration of the late John F. Collins (39-41). The Grant was \$900.00.

At that time an agreement was made to give the Sons of Union Veterans of the Civil War, \$350.00 of this money yearly. That we have done.

We are grateful to all for the assistance given us in this work and those that follow have our best wishes.

Re; Lapham Building marquee sign

Gentlemen:

This is to restate the approval that was given orally to your committee on March 26th that the drawing, "Proposed Sign for Lapham Building - 290 Westminster St." conformed to modifications that had been agreed upon by the Commission staff and the applicant's attorney Mr. Amedeo Merolla.

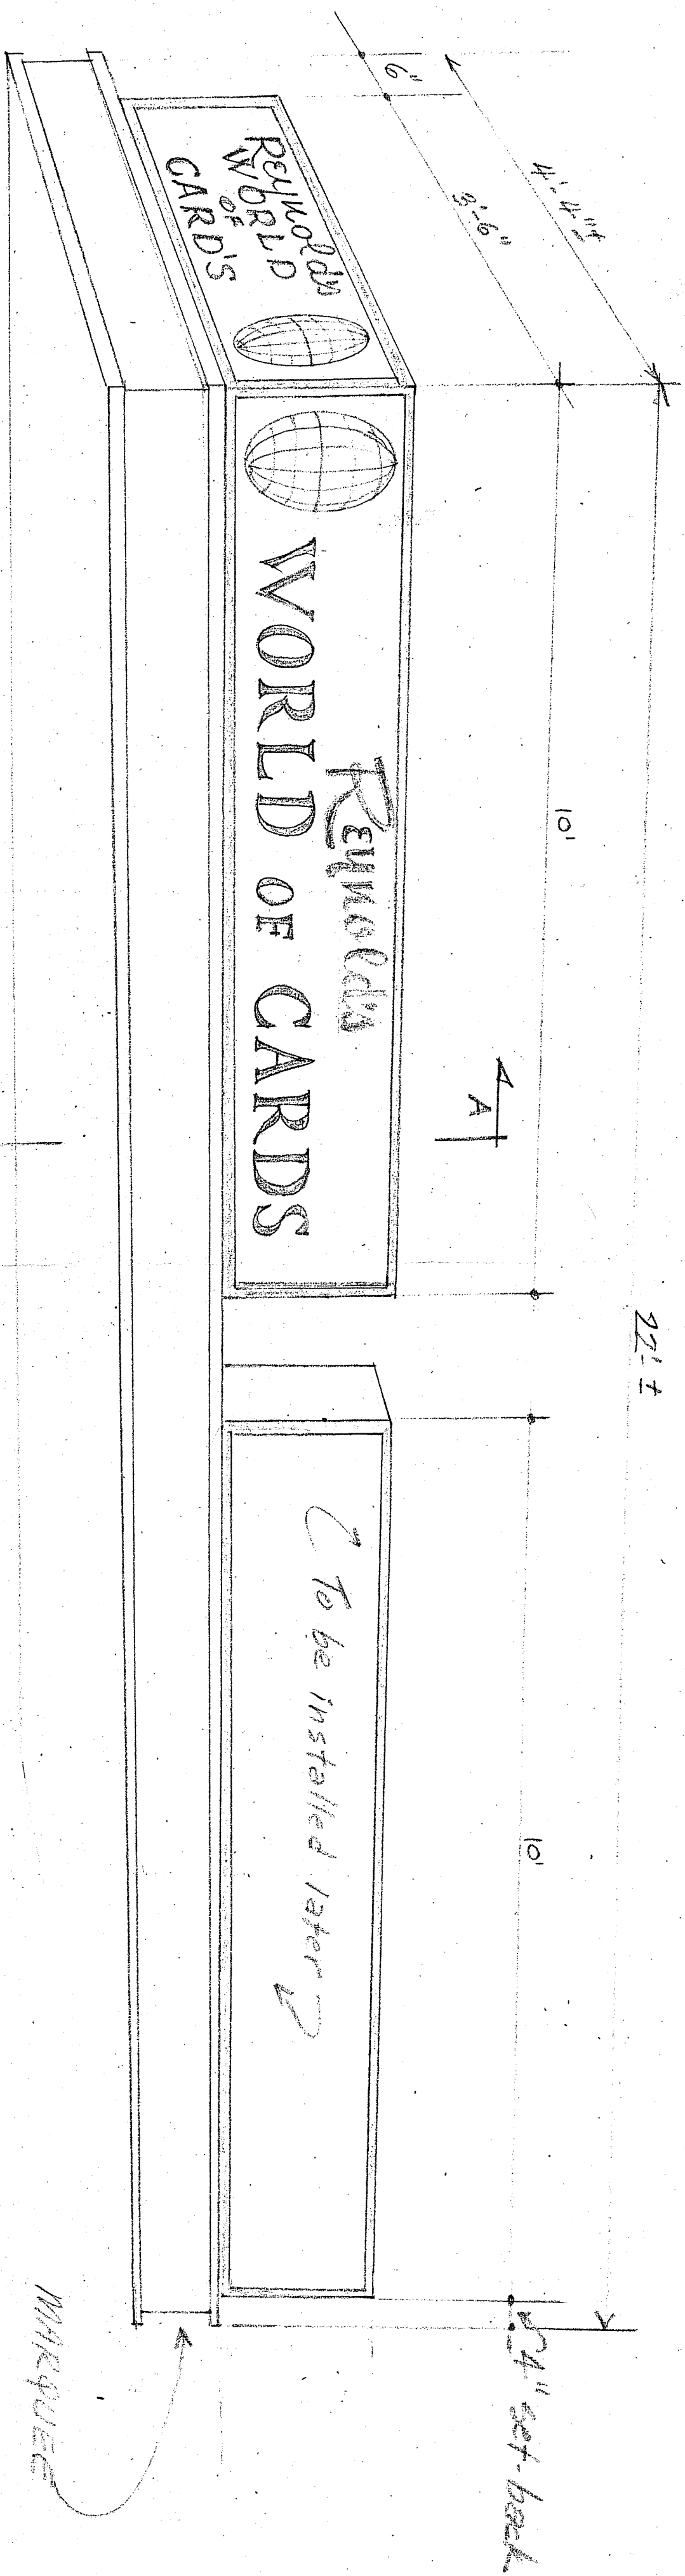

The above drawing, dated 3/26/65, and prepared by State Sign Company, had been received and reviewed by the Commission staff on the day of your committee meeting, and was found to satisfy the objections which had earlier caused the Commission to take exception to the proposed sign.

Last month the Commission requested that an opinion be obtained from the City Solicitor's office regarding the possible future regulation on signs within the Mall area. The above marquee sign proposed for the Lapham Building was not included in this action, and at the time of the last Commission meeting on March 25th the issue had already been resolved on the sign, though the correct drawing had not arrived.

We hope this clarifies this matter and will assist the careful and prompt attention which your Committee has given to this subject.

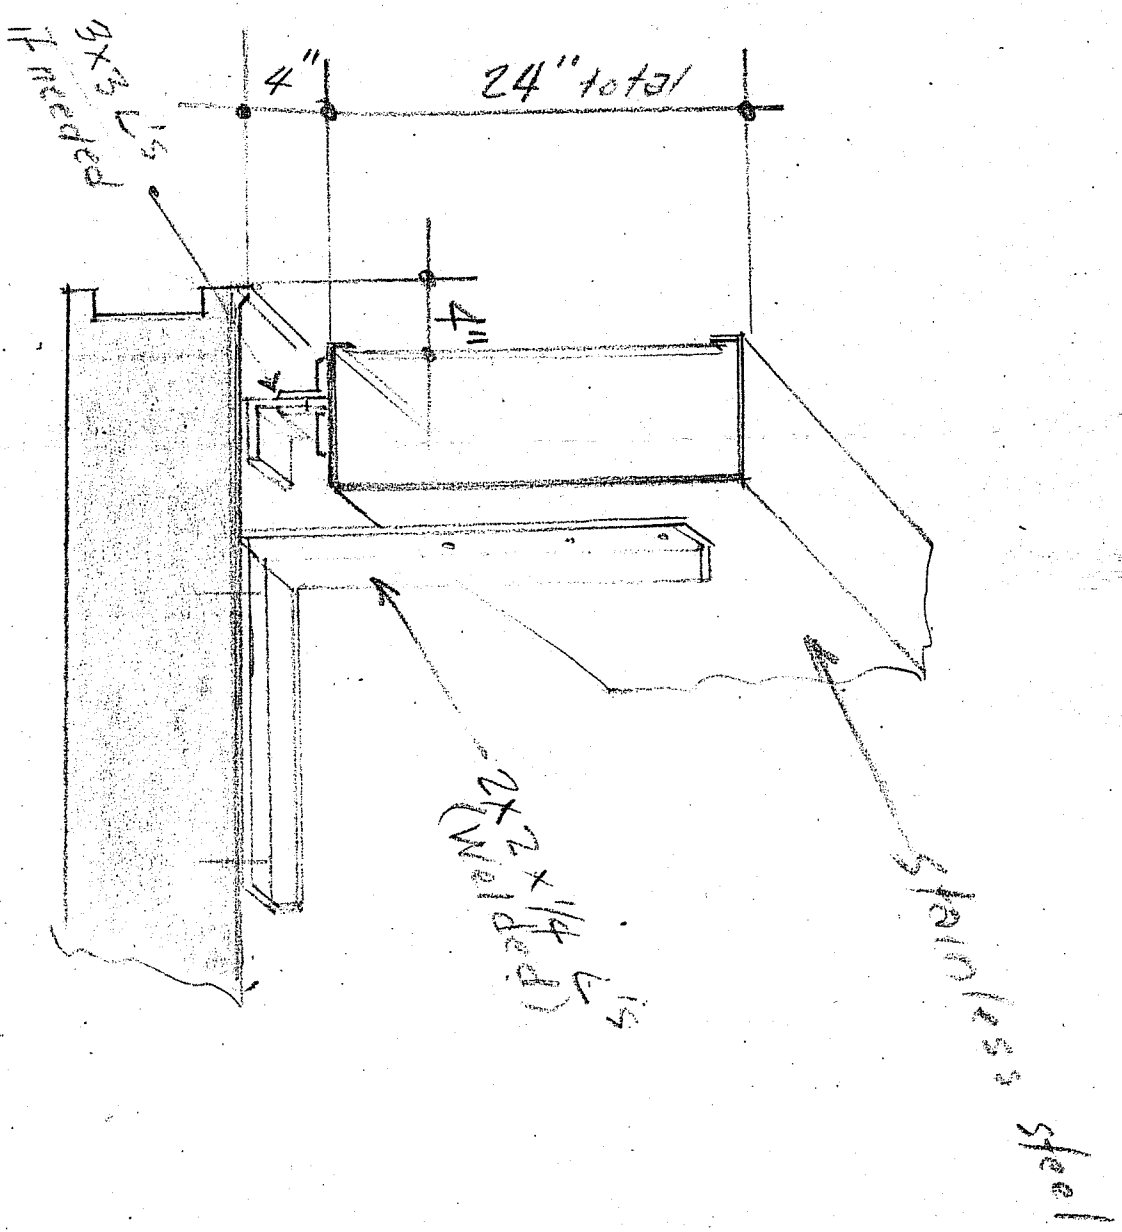

Sincerely,

Dieter Hammerschlag
