IN GENERAL ASSEMBLY

JANUARY SESSION, A. D. 19 68

AN ACT

AUTHORIZING THE CITY OF PROVIDENCE TO ISSUE BONDS IN AN AMOUNT NOT EXCEEDING FIFTEEN MILLION (\$15,000,000) DOLLARS FOR REDEVELOPMENT PURPOSES.

It is enacted by the General Assembly as follows:

SECTION 1. The City of Providence is hereby authorized, in addition to authority previously granted, to issue bonds to an amount not exceeding FIFTEEN MILLION (\$15,000,000) DOLLARS from time to time under its corporate name and seal or a facsimile of such seal. The principal of the bonds and interest thereon shall be payable in any coin or currency of the United States of America which at the time of payment is legal tender for public and private debts. The bonds of each issue shall mature in equal diminishing annual installments of principal, the first installment to be not later than five (5) years and the last installment not later than (30) years after the date of the bonds.

SEC. 2. The bonds shall be signed by the City Treasurer and the manual or facsimile signature of the Mayor and shall be issued and sold at not less than par and accrued interest in such amounts as the City Council may determine. The manner of sale, denominations, maturities, interest rates and other terms, conditions and details of any bonds or notes issued under this act may be fixed by the ordinance or resolution of the City Council authorizing the issue or by separate resolution of the City Council or, to the extent provisions for these matters are not so made, they may be fixed by the officers authorized to sign the bonds or notes. The bonds of each issue shall bear interest at a rate or rates not exceeding six (6) per cent per annum. Coupons shall bear the facsimile signature of the City Treasurer. The proceeds derived from the sale of the bonds shall be

to the City Treasurer, and such proceeds exclusive of premiums and accrued interest shall, except as otherwise provided in section 5 of this act, be deposited (a) in the redevelopment revolving fund established under section 45-33-1 of the General Laws of Rhode Island, 1956, as amended, which fund shall be used in the manner and for any or all of the purposes provided in said section 45-33-1, as now enacted and for such additional purposes as may hereafter be provided by any amendment to said section 45-33-1 of the General Laws of Rhode Island, 1956, as amended, or shall be expended (b) in payment of the principal of or interest on temporary notes issued under section 3 of this act or (c) in repayment of advances under section 4 of this act. No purchaser of any bonds or notes under this act, however, shall be in any way responsible for the proper application of the proceeds derived from the sale thereof. The proceeds of bonds or notes issued under this act and the other moneys referred to in section 5 of this act shall be deemed appropriated for the purposes of this act without further action by the City Council than that required by this act.

SEC. 3. The City Council of the City of Providence may by resolution pursuant to Chapter 1017 of the Public Laws of Rhode Island, 1902, authorize the issue from time to time of interest bearing or discounted notes in anticipation of the authorization or issue of bonds under section 2 of this act, provided that the last proviso of section 1 of chapter 1017 of the Acts of 1902 shall not apply to notes being refunded by the issue of bonds.

SEC. 4. Pending any authorization or issue of bonds hereunder or pending or in lieu of any authorization or issue of notes hereunder, the City Treasurer, with the approval of the City Council, may apply funds in the general treasury of the City to the purposes specified in section 2 of this act, such advances to be repaid without interest from the proceeds of bonds or notes subsequently issued or from other available funds.

SEC. 5. Any accrued interest received upon the sale of bonds or notes hereunder shall be applied by the City Treasurer to the payment of the first interest due thereon. Any premiums arising from the sale of bonds or notes hereunder shall, in the discretion of the City Treasurer, be applied

by the City Treasurer to the cost of preparing, issuing and marketing bonds or notes hereunder to the extent not otherwise provided, or deposited in the redevelopment revolving fund. The cost of preparing, issuing and marketing bonds or notes hereunder may also, in the discretion of the City Treasurer, be met from bond or note proceeds exclusive of premium and accrued interest or from other moneys available therefor. In exercising any discretion under this section, the City Treasurer shall be governed by any instructions adopted by the City Council.

SEC. 6. All bonds and notes issued under this act and the debts evidenced thereby shall be obligatory on the City of Providence in the same manner and to the same extent as other debts lawfully contracted by it and shall be excepted from the operation of section 45-12-2 of the General Laws of Rhode Island, 1956, as amended. No such obligation shall at any time be included in the debt of the City for the purpose of ascertaining its borrowing capacity. The City shall annually appropriate a sum sufficient to pay the principal and interest coming due within the year on bonds and notes issued hereunder to the extent that moneys therefor are not otherwise provided. In order to provide such sum in each year and notwithstanding any provision of law to the contrary, all taxable property in the City shall be subject to ad valorem taxation by the City without limitation as to rate or amount, except that the rate of taxation on intangibles shall be limited as provided in Section 44-5-6 of the General Laws of Rhode Island, 1956, as amended.

SEC. 7. Any bonds or notes issued under the provisions of this act and coupons on any bonds, if properly executed by officers of the City in office on the date of execution, shall be valid and binding according to their terms notwithstanding that before the delivery thereof and payment therefor any or all of such officers shall for any reason have ceased to hold office.

SEC. 8. The question of the approval of this act shall be submitted to the electors of the City of Providence at the general state election to be held on November 5, 1968. The question shall be submitted in substantially the following form: "Shall an act, passed at the 1968 session of the General Assembly, entitled 'An Act Authorizing the City of Providence to Issue Bonds in an Amount Not Exceeding Fifteen Million (\$15,000,000) Dollars for Redevelopment Purposes' be approved?" The warning for the election shall contain the question to be submitted, together with a statement reading in sub-

stance as follows: "The act authorizes said bonds and provides for temporary financing." From the time the election is warned and until it is held, it shall be the duty of the City Clerk to keep a copy of the act available at his office for public inspection, but any failure of the Clerk to perform this duty shall not affect the validity of the election. Sections 5(a) and 135 of Chapter 832 of the Public Laws of Rhode Island, 1940, as amended by Chapter 1266 of the Public Laws of Rhode Island, 1943, and Chapter 3526 of the Public Laws of Rhode Island, 1955, shall not apply to the election hereunder and the validity of the election shall not be affected by the provisions of Section 153 of chapter 2 of the Revised Ordinances of the City of Providence, 1946.

SEC. 9. This section and section 8 of this act shall take effect upon the passage of this act; and the remainder of this act shall take effect upon the approval of this act by a majority of those voting on the question at the election prescribed by section 8 hereof.
