Mayor Paolino:

I am hereby giving notice of my intent to resign from the Providence School Board effective upon your approval and presentation before the City Council.

I have included a copy of the Ethics Commission decision regarding my candidacy for administrative positions in the Providence School Department. My resignation is in conjunction with my application for a position and therefore complies with the Commissions ruling.

My term on the Providence School Board has been both challenging and rewarding, in large part because of your faith and confidence in my judgements, decision and educational experience. No member can appreciate this more than me. Your support has always been with the board and its' decisions.

Thank you for the opportunity to serve the City of Providence over the last nine years. May both of our futures hold the promise of further service to the city we both believe in.

Sincerely,

Robert A. DeRobbio
