A hand-drawn map of a land parcel, likely a survey or boundary map. The map is drawn on aged, yellowed paper. The parcel is irregularly shaped, with a large rectangular area on the left and a smaller, more complex area on the right. The boundaries are marked with dashed lines. Various measurements are written along the boundaries and within the parcel. Labels include 'RC' (possibly 'Right of Way' or 'Right of Center') and '99'. The measurements are in feet, with some values like 13, 15, 10, 25, 23, 15, 10, 16, 12, 45, 263, and 47. The map is oriented with the top of the page towards the upper left. The overall appearance is that of a historical or field sketch.
